AMDCN in ASEAN/RA V

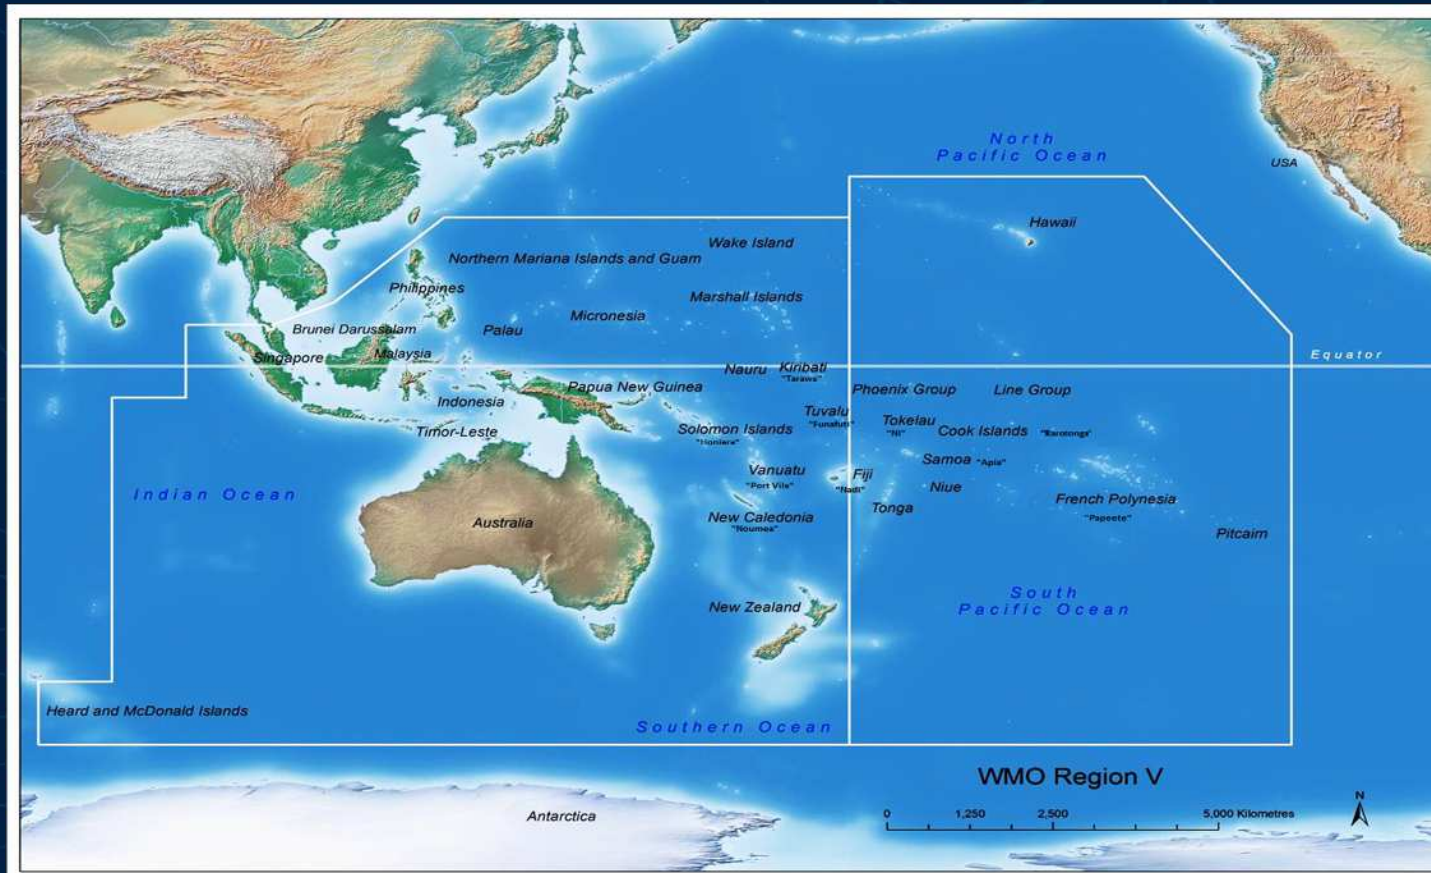

Weiqing Qu

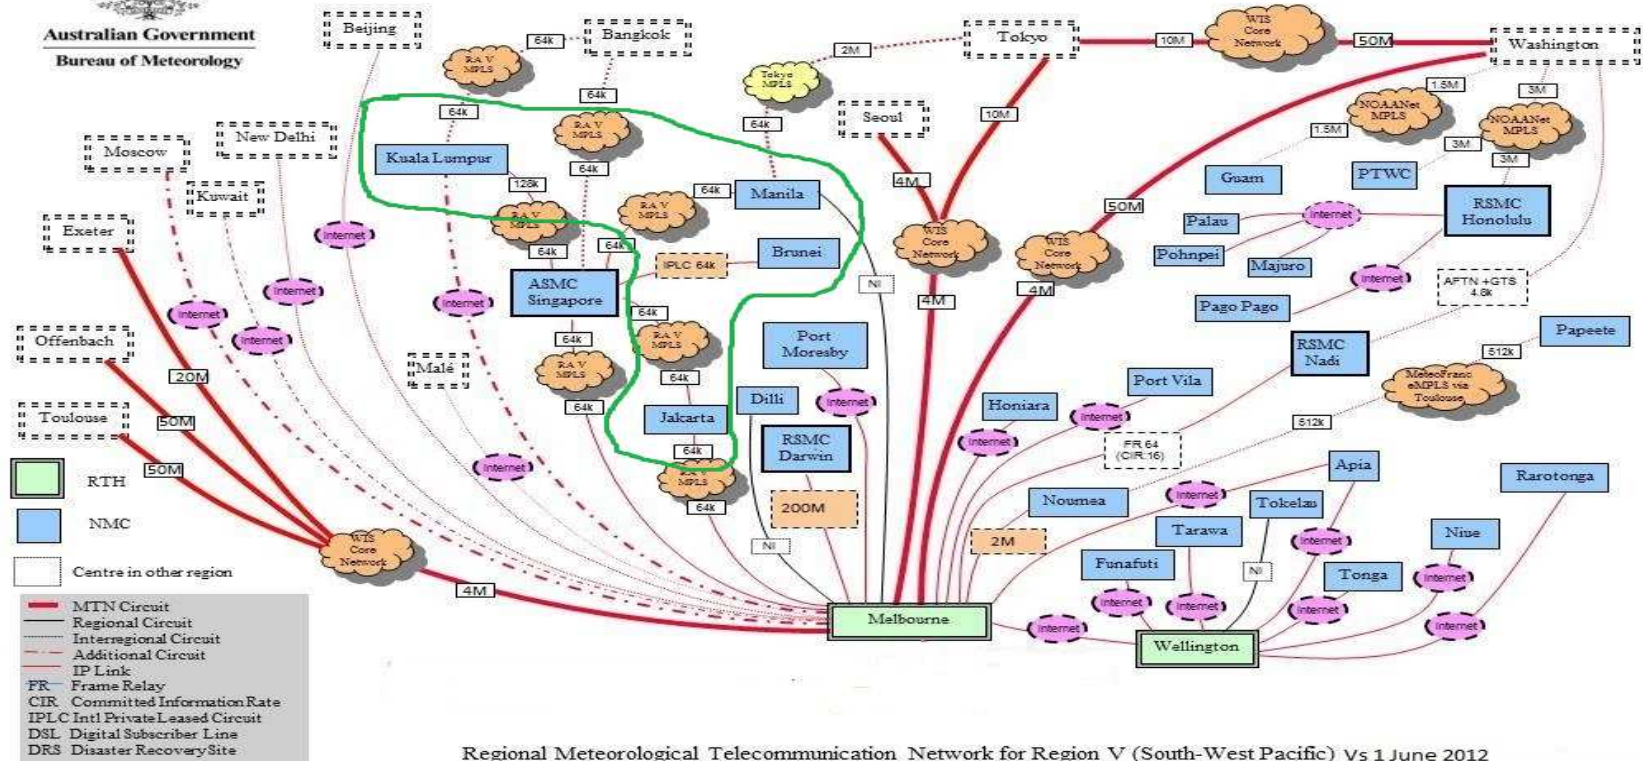

Australian Government
Bureau of Meteorology

WMO RA V

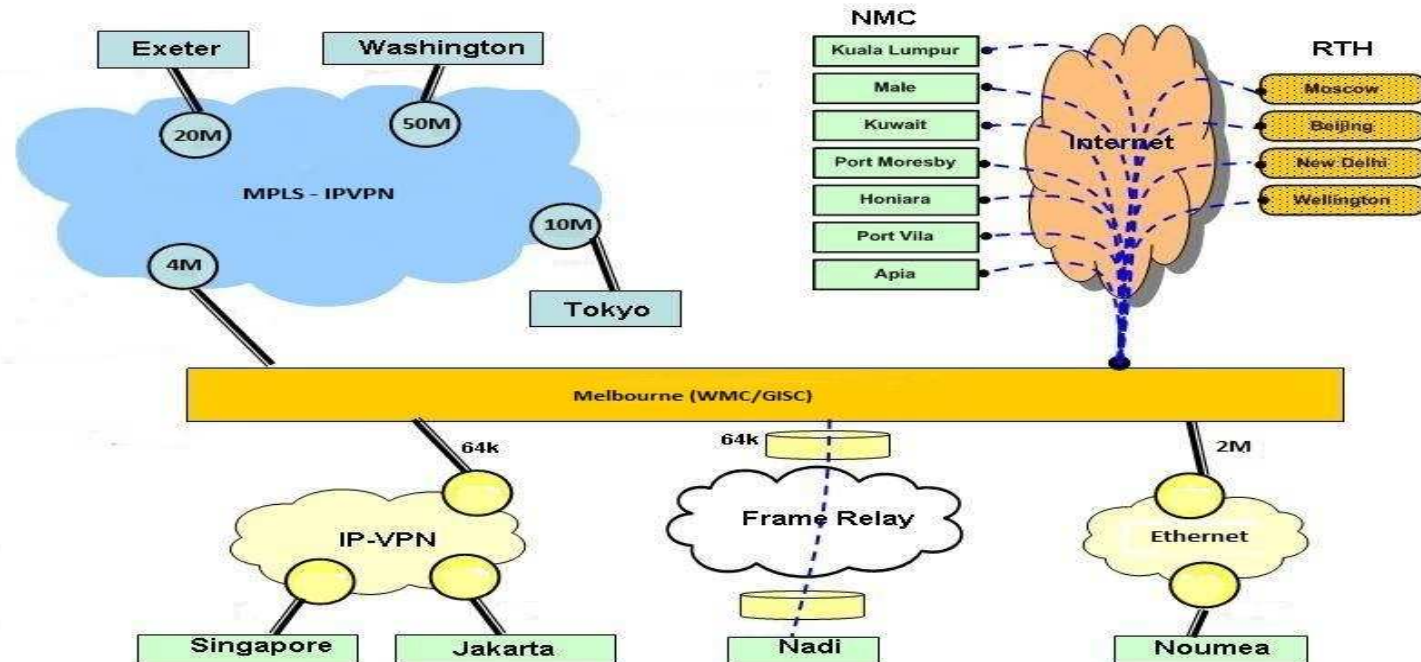

AMDCN – RA V

Regional Meteorological Telecommunication Network for Region V (South-West Pacific) Vs 1 June 2012
Vs1.1 May 2014 - WIS Core updates

AMDCN – RA V

M = Mbps
k = Kbps

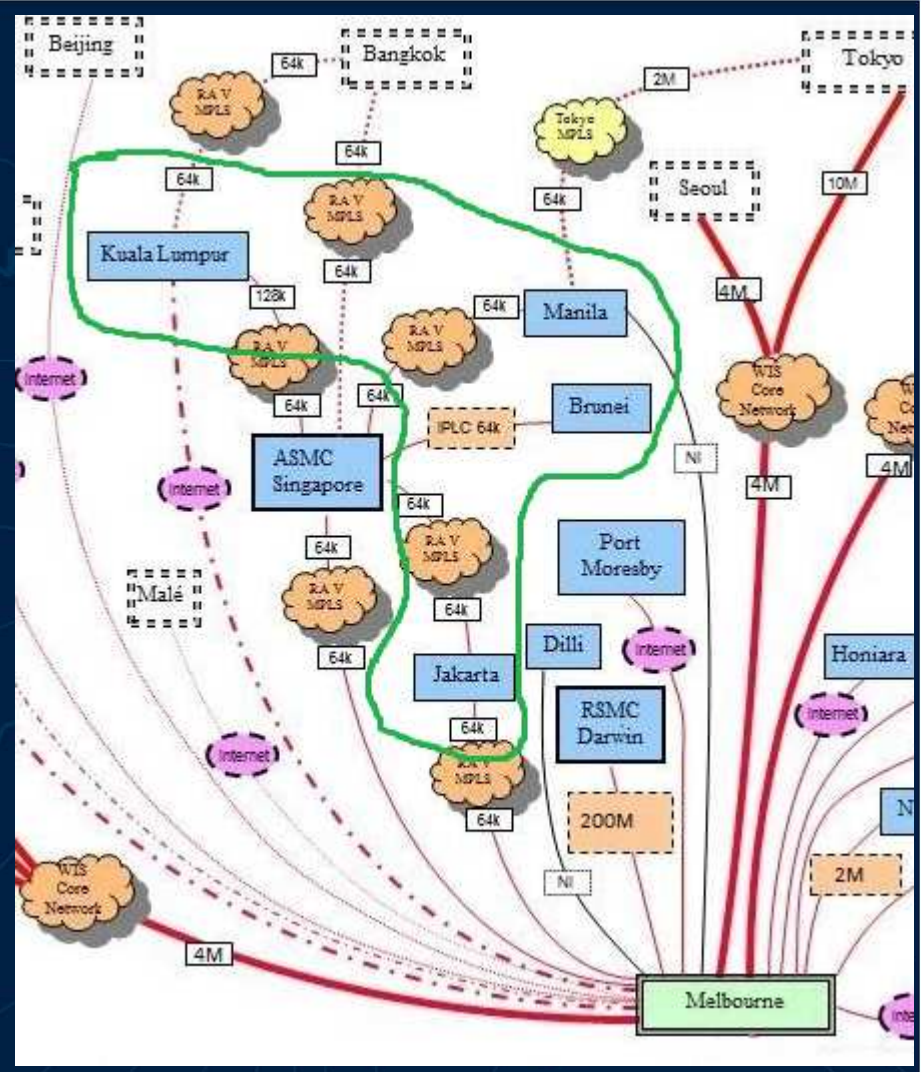

April 2015

Australian Government
Bureau of Meteorology

AMDCN – ASEAN

- MPLS network connected to Singapore and/or Melbourne.
- Carrier: Singtel
- Low bandwidth (64K)
- Expensive.
- Future: increase the bandwidth(?), Internet(? Security concern?), VPN over internet(?)

Australian Government
Bureau of Meteorology

Thank you

Any Questions?
